% achieving expected standard in Spag			87%	78%
% achieving expected standard in r/w/m			52%	65%

Barriers to future attainment for children eligible for PP.	
Internal barriers (action required in school)	
1.	Language skills are very low for children entering EYFS. SCLN are well below the expected level.
2.	The need for school to enhance cultural capital to remove barriers to accessing and understanding the wider curriculum, improving entry into the next steps in education and preparing for adulthood.
3.	All children (especially PP children) reaching greater depth is well below national expectations.
4.	SEN/PP children achieving significantly below expected levels.
External Barriers	
5.	Emotional, mental health and well-being support addresses difficulties with emotional regulation, anxiety, emotional resilience and ACE's that impact learning, collaborative learning and concentration. Additional support needed.
6.	Social deprivation and social care needs are abundant and affect learning, mental well-being and social and academic success.
7.	Poor attendance contributing negatively to academic and social success.
8.	Parental aspirations and ability to support learning- parents can face challenging behaviours at home and face challenges adopting consistent routines and boundaries at home, impacting negatively on attendance, homework, value of education and aspirations.

9.	Experiences children receive out of school.
10.	Physical and mental health and diet with some children not receiving close to 5 a day.

Expected Outcomes			
	Actions and how they will be measured	Expected Outcomes/ how we will know	Cost
1.	<ul style="list-style-type: none"> • Early identification of need, immediate intervention. • Improve outcomes for pupils in EYFS and entering EYFS from our feeder nursery- especially in speaking, listening, understanding and vocabulary- Kirsty Page CPD-Launchpad for Literacy (all staff). • Staff/child ratio reduced to support intervention and ensure a 'fast start'. • High quality teaching and learning opportunities both inside and outside. • Development of outside areas. 	<p>Improved GLD 2020</p> <p>Improved scores in CLL- forming basis of learning, no gaps to be later filled.</p> <p>Children with consistent profiles.</p>	£5,000
2.	<ul style="list-style-type: none"> • Whole school CPD – cognition and learning • An invigorated curriculum, based on cognitive principal and research, which meets and exceeds the standards in the national curriculum with a focus on DEPTH of learning rather than just quantity - providing opportunity to develop a love of learning- preparing for the next stage in education/life. • QFT and AFL provide opportunities to explore whole-school threshold concepts through a breadth of contexts – revisited in each key stage to build knowledge and transference skills – removing context bound understanding. • A curriculum which includes the arts, cultural and skillset learning to allow children to thrive and develop change to the long term memory. Provide memorable meaningful experiences, opportunities to over-learn 'joined up' contextual concepts at a pace to develop knowledge rather than information. 	<p>Measureable learning gains</p> <p>Improved progress and attainment across school- narrowing national gap.</p> <p>Aspirations raised.</p> <p>Cultural capital raised.</p>	£20,000

Expected Outcomes			
	Actions and how they will be measured	Expected Outcomes/ how we will know	Cost
