Sunderland
City Council

If you have been in close contact with someone who tests positive for coronavirus

1 You may be alerted by NHS Test and Trace

↓

2 Isolate for 14 days after close contact

↓

If you develop symptoms

3 Book a test, household isolates for 14 days

POSITIVE FOR COVID-19

↓

- You begin new 10 day isolation
- Household completes 14 day isolation

NEGATIVE FOR COVID-19

↓

- You complete 14 day isolation
- Household stops isolating immediately (if well)
