

Year 6 Newsletter Number 2!

What an amazing second part of Autumn it has been for our Year 6 superstars! From shining as brilliant role models in assembly to showcasing excellent basketball skills in PE, this cohort never fails to impress. Their fantastic writing brought the tale of the Three Brothers to life in English, while their unreal fraction action in maths left us all amazed. They have been great at swimming, impressed their high-school teachers and even completed some great outdoor learning activities. Simply put, Year 6 are absolutely stupendous!

In music, Year 6 have been learning to play the glockenspiel using *Classroom Jazz* from Charanga. They've been concentrating really hard to hit the notes at just the right time, showing great focus and rhythm. We've also loved singing Christmas songs as part of our end-of-term concert—hope you enjoy our singing as much as we've enjoyed performing!

Year 6 have had a super busy and festive Christmas period! From making cards and calendars to enjoying reading workshops, special dinner day, Christmas jumper day, film afternoons, and so much more, every day has been full of excitement. As this is their last Christmas in primary school, it's been extra special and memorable. Wishing everyone a very Merry Christmas and a Happy New Year!

Year 6 have an exciting Spring Term ahead! There will be plenty to look forward to, from action-packed trips to Safety Works and Nissan to special visitors joining us in school. In PE, pupils will be developing their skills in both dance and gymnastics, and in Spanish they will be learning how to order different foods with growing confidence. It's going to be a very busy term, but an enjoyable one too—so watch this space for updates!
