

The Hub Newsletter Spring 1

The Tiger Who Came for Tea: We have loved exploring 'The Tiger Who Came to Tea' text during our good morning sessions, reading the story and talking about the characters. We followed a recipe to create our own sandwiches, decorated tiger themed biscuits and used the microwave to cook our chocolate cake. We have loved sharing lots of food based sensory experiences during this topic.

Superhero's: We have recently explored 'Superheroes' alongside real life superheroes, the people that help us. We have enjoyed taking on different roles within the classroom, developing our role playing skills. We also held a parent workshop creating 'Supertato' using real vegetables, explored play doh activities and showed our grownups around the various activities within the hall.

Dinosaurs: We loved our 'roarsome' dinosaur topic investigating sensory tuff trays and role playing using the dinosaur figures. We dressed in role as dinosaurs moving around the classroom as a dinosaur would.

The Special Lioness: We had an amazing trip to 'The Special Lioness' exploring the sensory rooms and activities. We enjoyed playing the range of musical instruments on offer as well as the sensory equipment available. Remember, we post photos each week on the school website. Don't forget to keep a look out!

Announcements!
