

Year 3 Newsletter Spring 2!

DT – Shell structures

This half term, we have been looking at shell structures and we have designed our very own box. This has been part of a project we have been working on in the lead up to Easter. We have designed a box to hold an Easter treat. We have also made the Easter treat and thought carefully about what information should be on our packaging.

English

In English this half term, we have been writing a discussion text debating whether or not children should have to wear a school uniform. The children had great ideas for and against wearing a uniform and created brilliant pieces of work.

We have also written a persuasive advert for our Easter treats that we have been focusing on in DT. We have really thought hard about how we can persuade someone to buy our cake rather than our friend's cake.

"I can't believe I did that! Now nothing can stop me!"

Daniel Anderson

Swimming

Class 10 have begun their weekly swimming lessons and they have really impressed the instructors. We can't wait to see the progress they make across the remainder of the year!

"I was scared at first but I really loved being in the pool!"

Theia Wallace

Broom House Farm – Wednesday 25th March

Year 3 visited Broom House Farm again this half term. Although we may have visited on the windiest and coldest day of the year so far, we really made the most of the day. We managed to see a lamb that had recently been born, lots of piglets, chickens, goats, sheep, cows and so much more!

We also had the opportunity to visit 'The Forest Adventure' again and this time we didn't get lost! Some of us really faced our fears whilst using the adventurous equipment.

Announcements!

Back to school – Monday 20th April 2026
Bank Holiday - Monday 4th May
Break up for half term – Friday 22nd May 2026
