

# Year 6 Newsletter Number 4!

Year 6 have been absolutely fantastic since returning from Christmas. They've shown real dedication and maturity, working hard both in and out of the classroom and taking pride in everything they do. From helping Mr Robson, to supporting younger pupils around the school, to representing our school so brilliantly on several trips, they've truly been a credit to themselves and the school.

Year 6 had an amazing time creating stop-motion animations with Robyn from Carnival House. The children threw themselves into the project with creativity and enthusiasm, and it was brilliant to see their ideas come to life. Even more exciting, some of their fantastic work will be projected onto our school building at the Light Festival on Friday 20th February — don't forget to come along and have a look!

Year 6 have also had the fantastic opportunity to work with a local percussion group, thanks to Carnival House. They explored and played a wide range of percussion instruments, throwing themselves into the sessions with energy and enthusiasm. It really has been an amazing experience, and yet another time where your children have truly proved just how incredible they are.

Year 6 have also enjoyed an incredible range of experiences, including a trip to live theatre in Newcastle for an inspiring day of playwriting, a brilliant French day at Red House Academy, and even the exciting opportunity to take part in an interview with a real reporter! It certainly doesn't stop there — it only gets busier next half term, so watch this space...
