

Year 1 Newsletter-Summer

I'll Huff and I'll Puff...

Year 1 enjoyed taking part in role play activities based on *The Three Little Pigs* as part of their Traditional Tales unit in Literacy. The children acted out different characters from the story, helping to develop their speaking, listening and storytelling skills while bringing the tale to life.

"I loved playing the wolf!" Cole.

Full or Empty?

We have enjoyed exploring capacity through a range of practical activities. The children used different containers to compare, measure and investigate how much each could hold, developing their understanding of full, empty, more and less.

Reminders:

- **IMPORTANT-Phonics Screening** W.C. 08.06.26 ***ALL CHILDREN MUST BE IN SCHOOL***
- Maths homework to be completed on NumBots online.
- Reading books given out each Friday. PE-every Thursday.
- School finishes Friday 22nd May.

"I can fill in my tally chart!"
Alyssa.

Our Local Area

We have been exploring the question *Where Do We Live?* in Geography by learning about our local area and investigating familiar places around school. As part of our fieldwork, the children explored Ridley Street, observing buildings, roads, shops and traffic while developing their map-reading and observation skills.

The children then used Purple Mash to create a class pictogram showing how we travel to school.
