

Year 2 Newsletter Summer 1

DT & Art- This term in Year 2, we created our own pouches. First, we designed our pouches and practised our running stitch to join the fabric together. We then explored different printing techniques, including finger printing and leaf printing, and also experimented with a variety of tie-dye techniques. Finally, we created our finished pouches by choosing our favourite designs and decorations. Some of us used tie-dye, others added gems, and some painted their pouches.

We are so proud of our final products!

Printing

We have been doing PE with Jamie. We have been doing Basic Moves and playing lots of games. We even got to play a mini game of cricket. We have had a lot of fun!

In maths, this half terms Financial Literacy lesson, we have been learning all about money and how to keep it safe. We discussed why money is important, safe places to keep it, and how banks help protect our money. We also talked about how money can make us feel, especially if it gets lost. We have enjoyed learning how to be responsible with money and make smart choices for the future.

In Music this term, the children have been learning the lyrics to the song 'Friendship'. They also learned to play the notes G, E and B, G, A on the glockenspiel to accompany the chorus of the song. The children worked hard to develop their timing and play together in rhythm.
