

Year 1 Newsletter-Summer 2

Sports Week

During Sports Week, Year 1 had a fantastic time keeping active and working together. The children completed a Daily Mile around the school yard each day, building their stamina and encouraging one another along the way. They also enjoyed taking part in a variety of team-building games, developing their communication and cooperation skills, as well as fun circuit activities that helped improve their balance, coordination and fitness.

"I loved going to the different areas!" Anna-Leigh.

Fruit or Vegetable?

In Design and Technology, Year 1 have been learning how to prepare fruit and vegetables safely. They enjoyed tasting a variety of fruits and vegetables, describing what they liked, and developing their food preparation skills while creating healthy snacks.

Reminders:

- Maths homework to be completed on NumBots online.
- Reading books given out each Friday. PE-every Thursday.
- School finishes Wednesday 22nd July.

"I enjoyed singing and dancing to the songs" Manal.

World Music Week

During Music Week, Year 1 explored the music of Queen, learning about rhythm and beat through *We Will Rock You* and *We Are the Champions*. The children enjoyed performing the famous stomp-stomp-clap rhythm, making crowns, and creating positive posters with messages about teamwork, confidence and being a champion.

"Music makes me feel better inside" Myles.
