

Year 3 Newsletter Summer 2

Music

We took part in Sunderland Sings 2026 at Sunderland Empire. We joined in with 1500 other school children from around the city to sing songs from other music cities. We had an amazing time singing 15 different songs with a live band. We were a pleasure to take out of school and we sang our hearts out.

D&T- making healthy sandwiches!

We loved creating our own healthy sandwiches! We were making sandwiches to give us energy for sports day. We used the eat well plate to help us to design our sandwich.

PE- Health week

What a fantastic week we had for health week! We really enjoyed all of our activities but particularly enjoyed circuits with Jane and fruit tasting!
