

Nursery Newsletter Autumn 1!

New to Nursery

We have had so much fun on our first half term in Nursery. We have enjoyed settling in and exploring all the new areas of our classroom as well as making lots of new friends! We have enjoyed using the creative area to paint our own self-portraits. We have enjoyed constructing and building different models in the creative area as well as role playing in the home corner, manipulating the playdough to create sculptures and reading lots of lovely books in the reading area. Nursery have had lots of fun exploring our new outdoor provision, we love the sandpit and have enjoyed playing games in the ball area.

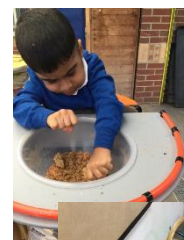

Harvest Festival Celebrations!

This half term, the boys and girls in Nursery have been learning all about farms and the food that farmers grow for us to eat.

We investigated different fruits and vegetables that are grown on farms and enjoyed reading the story *The Enormous Turnip*. The children had great fun acting out the story together, taking on different roles and working as a team to pull up the enormous turnip!

We also got creative by using vegetables to make prints and create our own pieces of artwork.

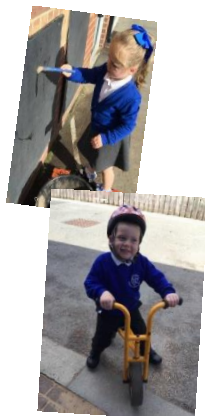

We have loved celebrating Harvest Festival, exploring where our food comes from and learning through stories, role play and creative activities. Well done, Nursery!

Outdoor Learning Fun!!

In Nursery we go outside to play every single day no matter the weather. We love to make gloopy hot chocolate in the mud kitchen, huge sandcastles in the sand pit, ride our bikes or dress up and act out a story on the stage. It helps so much with our physical development and understanding of the world.

Don't forget we need to wear warm coats and outdoor shoes, everyday!
