

Year 1 Newsletter Autumn 1

Year 1 have made a fantastic start to the school year! They have settled in quickly, shown great enthusiasm for learning, and are already demonstrating growing independence and confidence in the classroom. It's been wonderful to see how well they are adapting to new routines and supporting each other as a class community. We have loved exploring our new classrooms and really impressed our teachers in class!

"I am going to be a hairdresser to make people look and feel beautiful". Marnie Yates

In English we explored the story 'When I grow up?' We loved learning about jobs and professions we had never heard of. We discussed our dream jobs and aspirations.

In maths we have been exploring the composition of numbers as well as counting to 20 forwards and backwards. We worked in teams to create our own number lines to 20, using chalk. Take a look!

We loved learning about Italy for world languages day. We discussed some of our favourite foods being pizza and pasta. We decided to make our own Italian flags. Here are some of them!
