

Year 2 Newsletter Autumn 1!

Year 2 have enjoyed settling into their new classes this half term. We have been working hard across all subjects. In English we have been discussing our aspirations and enjoyed learning about what everyone wanted to be when they grow up. We have lots of exciting futures planned from doctors and teachers to footballers and hairdressers! We even interviewed each other to discuss our futures and learn about each other's careers. We had lots of fun!

In Maths, we have been identifying the place value of numbers to 100. We have enjoyed exploring the different resources we have to recognise the tens and ones in different numbers. Our teachers were very impressed with how many ways we can create numbers.

This term we have been learning about how to take care of ourselves and our bodies in PSHE. Whilst also learning about how we take care of the world in R.E. We have already shown our teachers what lovely kind children we can be and loved creating some beautiful art work for Harvest festival where we collected goods for our local community. We discussed how a lot of the food harvested at this time of year is healthy foods and how we need healthy foods to help us grow big and strong.

Announcements!
